

**Terms and Conditions:**

- Applicant must fulfill the minimum requirement to join the BDIX and thereby submit proper documents.
- All administrative contacts to be proceed with SDNF.
- SDNF will be responsible for entire administrative and technical management of BDIX. Policy decisions will be done by SDNF Executive Committee. However a technical team comprising of members from the representatives of connected organization and SDNF may oversee the maintenance.
- BDIX shall support the IX end equipment and server support at the IX end.
- Participant ISPs/corporate offices cannot share their IX connectivity to others, who are not the member of BDIX. BDIX updates route information for members of BDIX only.
- A membership fee per month per member prevails till any further update.
- The linking ISP/corporate office must have one unused Ethernet/Fast Ethernet port in their router.
- If the member is connected through DSL or Fiber to the BDIX, it is member's own responsibility to maintain the link to the IX-end router.
- If the member is connected through radio devices, both end equipment should be provided by the members, and operation of the radio link must be maintained by the particular member, without interfering the connected radio devices of the IX.
- Any member who would like to be disconnected from the IX can do that with a seven day's written notice.
- A member not paying membership fee consequently for 3 (three) months will be disconnected without any prior notice.
- These terms and conditions may change as per the need of the IX community, and approval of the SDNF Executive Committee.

I / We have carefully read the terms and condition to join the BDIX and agreed to abide the rules as per decision of SDNF.
